 Office of Admissions
 Dodge City Community College
 2501 North 14th Avenue
 Dodge City, KS 67801-2399

Entrance Requirements

1. Must be at least 17 years of age by the time the course is completed.
2. Students 25 years of age or under must have a high school diploma or GED by the completion of the Cosmetology program.
3. Students over 25 years of age must produce a high school diploma or GED or birth certificate.
4. Kansas law requires the wearing of uniforms, hose and closed-toed shoes. DCCC cosmetology students will wear purple tops, black slacks and black nursing shoes (SAS or equivalent.) Two or more tops should be purchased at the DCCC bookstore. At least two pairs of black dress slacks (preferably gabardine or polyester) should be purchased at the location of your choice.
5. Students must purchase a kit containing almost all of the items needed to complete the class. Kits are distributed the first day of class. Books should be purchased at the DCCC Book Store prior to the start of class.
6. (Optional) Send ACT/SAT scores. Athletes must submit ACT/SAT scores.

Special Notice

DCCC is committed to equal opportunity for all students, regardless of age, sex, race, color, nationality, ethnic origin, religion, handicap or veteran status.

*Join DCCC's Cosmetology Program for
a glamorous beauty career!*

Cosmetology Career

What career offers a wide variety of job locations, is virtually inflation and depression proof, and places the worker in control of the number of hours, days, and times to work?

The exciting field of Cosmetology offers all these advantages—plus a sense of self-satisfaction never dreamed possible in so little time!

In just 12 short months, a person can begin a rewarding career—making others look and feel better about themselves. After gaining experience, cosmetologists can manage or own their own salons, become sales representatives for beauty companies, work on cruise ships, or even shoot for the stars as hairstylists for Hollywood's biggest and brightest names.

Those with a flair for hair will love being a hair designer. Learn to create the latest hairstyles, hair coloring, perming, cutting and facial techniques using America's foremost authorities on beauty: Pivot Point and Redken Laboratories.

Cosmetology also offers an excellent means to help finance continuing college education should the student decide to pursue a degree. The personal grooming skills one acquires can be used on family, friends, or themselves for a lifetime.

A rewarding and exciting career in Cosmetology is available for those who call or write to DCCC, or return the attached card for more information.

Cosmetology Program Facts

- Classes start three times per year: January, May and August. Students interested in attending part time must start in January. Upon completion of the demonstration portion of the class, any student can convert to part-time status.
- There are 1,500 hours of instruction, including classroom instruction on theory, instruction on mannequins and actual salon experience. Classes meet Monday through Friday from 8:15 a.m. to 3:45 p.m., until the required time is completed. Completion of the program usually takes 12 months. Students wishing to relocate to another state after graduation may be required to take additional hours by that state.

Cosmetology Program

Placement Assistance

Job placement assistance will be provided to students who successfully complete the Cosmetology course. Employment opportunities at the present time are very good locally, in-state and out-of-state.

Hair Styling
Manicuring
Permanent Waving
Poise and Grooming
Professional Ethics
Salon Management
Sanitation
Scalp Treatments
Shampooing and Rinsing

Financial Aid

Dodge City Community College has developed a variety of financial aid packages to assist students in overcoming economic problems associated with college attendance. DCCC accepts financial aid applications and makes decisions regarding those applications without regard to sex, race, creed, disability, or national origin.

Students who wish to apply for a Pell Grant or Stafford Loan must first establish their eligibility by completing their ACT Family Financial Statement and have their expected family contribution determined. It takes approximately four to six weeks to process an ACT Family Financial Statement. If a student is determined eligible to apply for a loan, it takes at least another three to four weeks for the loan application to be processed.

To qualify for any federal financial aid, a student needs to have a high school diploma or GED. Students who do not meet these requirements may arrange to take a vocational test to determine ability to benefit. Contact the DCCC Testing Center well in advance of the class starting date to arrange for testing.

Veterans who meet eligibility requirements may receive benefits for credit courses taken at the college. For more information call 316-225-1321, Ext. 208.

Any student with a financial concern is encouraged to contact the DCCC Financial Aid Director for additional information.
